

## 1 Breadboard-SPI-Bus

The SPI bus with SD connector for SD-cards and SD-modules, 2 x SRAM and 2 x flash memory based on a modified propeller-C3-board SPI-bus.

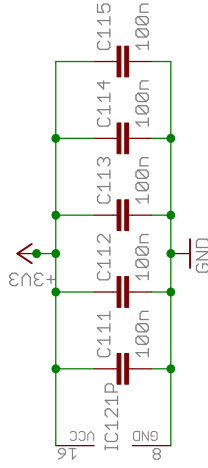

Die hier gezeigte Schaltung beruht auf dem SPI-Bus des Propeller C3-Boards

von André LaMothe, Parallax und

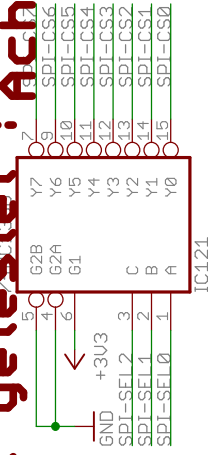

Nurve Networks LLC.

**Achtung! Noch nicht getestet !**

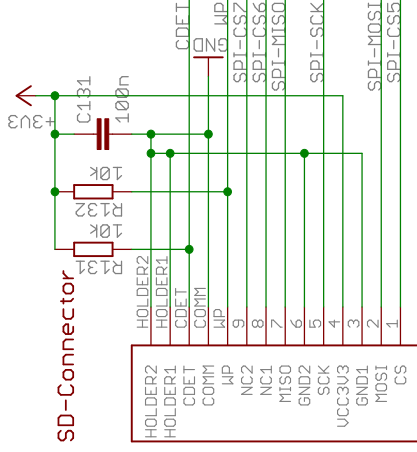

## 1.1 Abblockkondensat.

## 1.2 Channelencoder

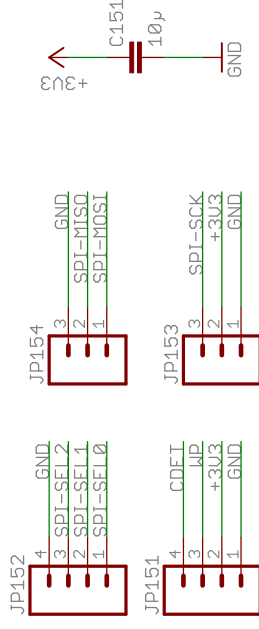

## 1.3 SD-Connector

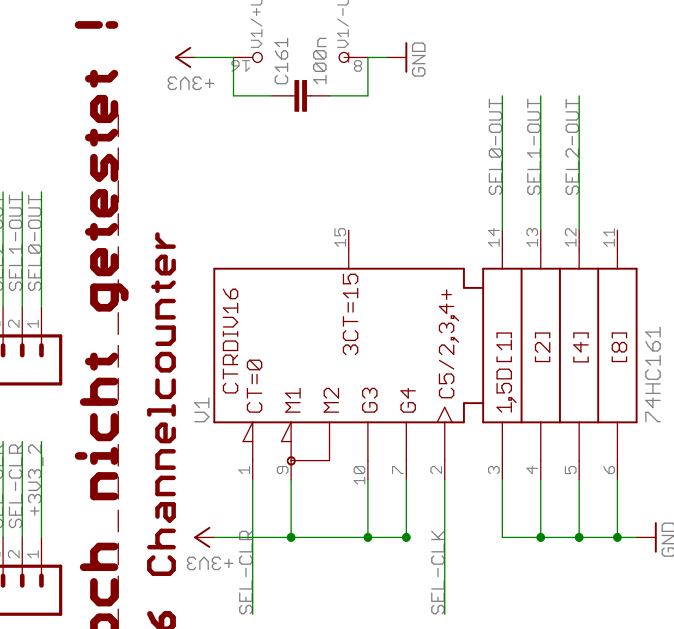

To use special sd-modules, the pinout of the sd-connector have been modified

## 1.5 Boardconnectors

## 1.6 Channelcounter
